OFFICE OF PETITIONS

Art Unit: 1633

Commissioner for Patents
Box DAC
Washington, D.C. 20231

Sir:

Pursuant to 37 C.F.R. §1.82, Applicants hereby petition for Reinstatement of the Original Power of Attorney in the above-identified application. Attached hereto is a check in the amount of \$130 as is set forth in 37 C.F.R. 1.17(h) to cover the filing fee for this petition. However, as the Original Power of Attorney was incorrectly revoked by the Office's acceptance of a Revocation of Power of Attorney and New Power of Attorney by less than all of the applicants or owners, a refund of the petition fee is respectfully requested.

In support of this petition, Applicants set forth as follows:

On April 30, 2001, Dr. Velander, one of four named inventors to the instant application, filed a "Revocation of Power of Attorney and New Power of Attorney," revoking the Power of Attorney given to the Firm of Foley & Lardner and appointing new attorneys at McGuire Woods, LLP with a new correspondence address. See Attachment 1.

This "Revocation of Power of Attorney and New Power of Attorney" caused the Office to erroneously revoke the Power of Attorney of Foley & Lardner. See Attachment 2. This document states that:

[t]he Power of Attorney to you in this application has been revoked by the applicant. Future correspondence will be mailed to the new address of record (CFR 1.33).

The Office erroneously revoked Foley & Lardner's Power of Attorney based upon Dr. Velander's filing of the "Revocation of Power of Attorney and New Power of Attorney" (Attachment 1). MPEP 402.10 provides that the signatures of all inventors must be submitted if a petition to revoke power of attorney is to be effective. More specifically, MPEP 402.10 – Appointment/Revocation by Less Than All Applicants or Owners (7th Ed., Revision 1, February 2000), states that:

Papers giving or revoking a power of attorney in an application generally require signature by all the applicants or owners of the application. Papers revoking a power of attorney in an application (or giving a power of attorney) will not be accepted by the Office when signed by less than all of the applicants or owners of the application unless they are accompanied by a petition and fee under 37 CFR 1.182 giving good and sufficient reasons as to why such papers should be accepted. The petition should be directed to the Office of Petitions. The acceptance of such papers by petition under 37 CFR 1.182 will result in more than one attorney, agent, applicant or owner prosecuting the application at the same time. Therefore, each of these parties must sign all subsequent replies submitted to the Office.

A review of Attachment 1 signed only by applicant, William Velander, and Attachment 2 from the Office revoking Foley & Lardner's Power of Attorney, do not provide any evidence that a petition under 37 CFR 1.182, giving good and sufficient reasons as to why the Revocation of Power of Attorney and New Power of Attorney, which is not signed by all of the applicants or owners, was filed and should be accepted.

Thus, the filing of Attachment 1 should not have been used by the Office as the basis to revoke the original power of attorney to Foley & Lardner. Therefore, it is requested that the Office reinstate the original power of attorney and the correspondence address for the above-identified application as follows:

Foley & Lardner
Suite 500
3000 K Street NW
Washington, D.C. 20007-5109

It is requested that this reinstatement be expedited as there is a response to an outstanding Office Action due on September 5, 2001, and such reinstatement is necessary for the undersigned attorney to respond in a timely manner.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

Respectfully submitted,
